Dr. Cassidy went down to see what the disturbance was about, and found the plate-glass of his front door broken. They had tried to break in the lock on the other store. At the Harris store a key had been broken off in the lock. They did not succeed in getting in. The Harris store was discovered at Mr. Feuerherd's store about 1:30 A. ELGIN BOARD MUST AGREE. Otherwise Department of Justice Will Push Antitrust Suit.

Washington, April 1.—Unless the Elgin Board of Trade accedes promptly to the department's demand, the Justice Department is probable that the antitrust suit against that organization will be pushed, and that the government will push the case to a conclusion in court.

It was understood here to-night that Mr. Wilkerson was notified by the department, and agreed to nothing less than the demand for a bill, and it seemed probable that the money has been taken on bonds. Testimony remains to be done before judgment is passed.

WOTHERSPOON NEW CHIEF OF STAFF

Selected to Succeed Major-General Leonard Wood at End of His Term.

SCOTT WILL BE ASSISTANT

Present Official to Assume Command of Eastern Department at Governor's Island.

Washington, April 1.—Major-General William W. Wotherspoon, now assistant chief of staff of the army, has been selected to succeed Major-General Leonard Wood as chief of staff at the end of General Wood's term on April 22. Brigadier-General Hugh L. Scott, commanding the troops at Fort Bliss, Texas, will be assistant chief of staff. General Wood will assume command of the Eastern Department, with headquarters at Governor's Island, N. Y.

The appointment of General Wotherspoon to be chief of staff had been expected, as it was in accordance with the practice of promoting the assistant chief of staff to the first place. So the interest of the army centered on the selection of an assistant chief of staff who might in turn succeed General Wotherspoon, when the latter retires, on account of age, next November.

A short time ago, it had been about settled that the position of assistant chief should be tendered to Brigadier-General T. H. Bliss, in command of the Southern Department, with headquarters at Fort Sam Houston, Texas.

Later a report was current that this post was declined by General Bliss, and within the past week it began to appear that the choice would fall on General Scott. The latter made a favorable impression on the administration by his dispatch and thoroughness with which he generally acted the recent Navajo uprising in New Mexico. Unlike his predecessor, General Scott will become assistant chief of staff of the army, and will be in the grade of major-general, and to promote him to that rank when General Wotherspoon retires, it would be necessary to jump him over the heads of brigadiers who are his seniors.

It was recalled to-day, however, that there is no obstacle to the assumption of office of chief of staff by a brigadier-general, as that was done when Brigadier-General J. Franklin Bell was appointed to the place.

No selection has yet been made of a successor to General Scott as commander of the Second Cavalry Brigade at El Paso.
